CERTIFICATION:

I have reviewed, am familiar with, and my establishment will comply with all fats, oils, and grease (FOG) control regulations set forth in MCSD Ordinance No. 63.

I understand that MCSD may impose specific requirements and limits on my establishment as a condition of issuing a FOG permit. I understand that any FOG permit issued for my establishment will be subject to modification and change by MCSD's FOG Control Program Manager.

I understand that any FOG permit issued for my establishment cannot be assigned, sold or transferred.

I certify under penalty of law that the above information is true and accurate and complete to the best of my knowledge. I also understand this is not a permit, but rather an application for a permit until a permit number is assigned.
