

MIDWAY CITY SANITARY DISTRICT

Serving the Community of Westminster and Midway City since 1939

ADDENDUM 1

10/18/2024

REQUEST FOR PROPOSALS

Local Hazard Mitigation Plan (LHMP)

See the followings:

1. Has the District established a budget for the project?
 - a. **No, the District did not establish a budget for the project.**
2. Confirm the LHMP will be an original plan, not an update.
 - a. **LHMP will be an original plan, not an update.**
3. Which organization operates the wastewater treatment plant for the sewer system?
 - a. **Orange County Sanitation District (OC SAN).**
4. Are you requesting for the Planning Team meetings to be in person or a virtual meeting?
 - a. **The Planning Team meeting will primarily be virtual if that works for the District; otherwise, it will be in person at the District's request.**
5. Do you have a GIS person in-house, or will the consultant have to hire a GIS person?
 - a. **The District does not have an in-house GIS person, so plan accordingly.**
