ABOUT CALIFORNIA CLASS TERM SERIES II

California CLASS Term Series II (TS II) is a pooled investment vehicle designed to deliver a fixed rate of return while prioritizing capital preservation, planned liquidity (scheduled-maturity date), and competitive yields - built on the same high-quality investments as the California CLASS Prime portfolio.

Permitted investments include highly rated investment vehicles such as obligations of the U.S. government and its agencies and instrumentalities, commercial paper, bankers' acceptance, repurchase agreements, and investments permitted by California state statute and the California CLASS Investment Policy.

INVEST WITH CONFIDENCE

TS II provides fixed rates, targeted liquidity, and high-rated securities, enabling Participants to confidently align investments with their operational needs. Find out more below!

KEY FEATURES:

- ✓ Rated AAf by Fitch Ratings
- ✓ Comprised of Permissible Investments by California Government Code Section 53601
- ✓ Competitive, Fixed Rate of Return
- ✓ Customized Redemption Date Selected by You!

TERM SERIES II SUMMARY

Minimum Investment Period:	60 days
Maximum Investment Period:	One (1) Year [365 days]
Minimum Investment:	\$1,000,000
Investment Rate:	Fixed to planned redemption date. All investment rates are quoted net of fees and on a 365 basis unless noted otherwise.
Planned Redemption Date:	Principal plus interest is posted to the Participant's California CLASS account.
Withdrawal Prior to Planned Redemption Date:	Withdrawals made at any time prior to the planned redemption date are subject to an early redemption penalty associated with early liquidation which may reduce or eliminate income and/or may reduce principal.
Rating:	Fitch Ratings has assigned a AAf to the California CLASS Term Series II portfolio.

Net Asset Value (NAV)	Stable \$1.00 per share	Variable \$10.00 per share	Principal at maturity

ELIGIBLE INVESTMENTS

California CLASS investments are made in accordance with California Statutes. Information regarding any investments in a California CLASS portfolio will be provided upon request. To review the California CLASS Investment Policy, please visit www.californiaclass.com.

For Institutional Use Only. Public Trust Advisors, LLC, PMA Financial Network, LLC, PMA Securities, LLC and PMA Asset Management, LLC (collectively PTMA) are under common ownership. Public Trust Advisors, LLC and PMA Asset Management, LLC, are both SEC registered investment advisers. PMA Securities is a broker-dealer and municipal advisor registered with the SEC and MSRB and is a member of FINRA and SIPC. Registration with the SEC does not imply a certain level of skill or training. Marketing, securities, institutional brokerage services and municipal advisory services are offered through PMA Securities, LLC. Public Trust Advisors and PMA Asset Management provide investment advisory services primarily to local government investment pools ("Funds") and separate accounts. All other products are provided by PMA Financial Network, LLC.

Many factors affect performance including changes in market conditions and interest rates and in response to other economic, political, or financial developments. Investment involves risk including the possible loss of principal. No assurance can be given that the performance objectives of a given strategy will be achieved. California CLASS is not a bank. An investment in California CLASS is not insured by the Federal Deposit Insurance Corporation or any other government agency. Please read the applicable information statement(s) carefully before making any investment decision. **Past performance is no guarantee of future results. Any financial and/or investment decision may incur losses.**

The California CLASS prime-style portfolio is rated 'AAAm' by S&P Global Ratings. A 'AAAm' rating by S&P Global Ratings is obtained after S&P evaluates a number of factors including credit quality, market price exposure, and management. For a full description on rating methodology, please visit www.spglobal.com. California CLASS Enhanced Cash is rated 'AAAf/S1' by FitchRatings. California CLASS Term Series II is rated 'AAAf' by FitchRatings. The 'AAAf' rating is Fitch's opinion on the overall credit profile within a fixed-income fund/portfolio and indicates the highest underlying credit quality of the pool's investments. The 'S1' volatility rating is Fitch's opinion on the relative sensitivity of a portfolio's total return and/or net asset value to assumed changes in credit spreads and interest rates. The 'S1' volatility rating indicates that the fund possesses a low sensitivity to market risks. For a full description on rating methodology, please visit www.fitchratings.com. Ratings are subject to change and do not remove credit risk.

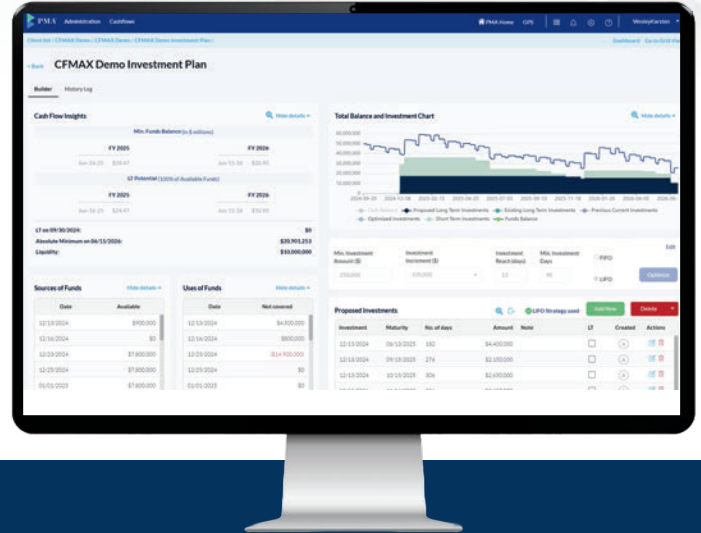

Public Trust Advisors, LLC, a registered investment advisor with the U.S. Securities and Exchange Commission, provides investment advisory services to the Fund. PMA Securities, LLC, an affiliate of Public Trust Advisors, is a broker-dealer and municipal advisor registered with the SEC and MSRB and is a member of FINRA and SIPC and provides marketing, and securities and other institutional brokerage services.

CASH FLOW MANAGEMENT

Turn Your Idle Funds into Opportunities

Unlock the financial potential of your organization with our proprietary forecasting and liquidity optimization tool, helping you gain visibility into future spending needs and aligning surplus funds with investment opportunities.

Unlock Valuable Insights Instantly

Our cash flow forecasting and investment planning solution helps local governments and public institutions visualize future liquidity needs and make smarter investment decisions. With long-range planning, tailored strategy, and ongoing support, our cash flow management program turns financial uncertainty into clarity and control.

SAVE TIME

Free up internal resources for other projects.

PLAN EFFECTIVELY

Make informed decisions based on data.

ENHANCE PROTECTION

From interest rate volatility and adapt to market changes.

Under-Resourced and Over-Extended?

Make cash flow planning strategic, not reactive. **Getting started is easy:**

- 1 Schedule a consultation to review your organization's historical cash flow, helping us understand your unique investment needs.
- 2 After completing your cash flow analysis, we'll provide a detailed plan proposal, aiming to optimize returns and protect against potential interest rate declines.
- 3 Gain access to our proprietary cash management tool, enabling you to make informed investment decisions with clarity.

Sergio Contreras, Secretary

AGENDA ITEM 7A

Date: October 20, 2026

To: Board of Directors

From: Robert Housley, General Manager

Prepared by: Mariana Sanchez, Accountant

Subject: Receive and File the Register of Demands in the Amount of \$389,627.49

BACKGROUND

The laws of the State of California governing Special Districts provide that the Midway City Sanitary District Board of Directors shall review for approval all payments made by the District.

A Register of Demands is provided at each regular Midway City Sanitary District Board Meeting describing each payment made or to be made by the district during the specified period. The report is designed to communicate fiscal activity based on adopted and approved budget appropriations.

The Treasurer has duly reviewed the demands on the attached register.

FISCAL IMPACT

The total value of demand for this period is \$389,627.49. This includes expenses, payroll, and payroll-related disbursements.

Sufficient funds are available to process all payments.

STAFF RECOMMENDATION

Staff recommends that the Board of Directors receive and file the register of demands in the amount of \$389,627.49.

AGENDA ITEM 7B

Date: October 20, 2026

To: Board of Directors

From: Robert Housley, General Manager

Prepared by: Gordon Copley, Director of Finance

Subject: Approve and File the Treasurer's Investment Report for September 2026

BACKGROUND

Midway City Sanitary District's investment policy requires a monthly investment report, which includes all financial investments of the district and provides information on the investment type, value, and yield available for all investments. The report also provides the Board of Directors with an update on the balances of the District's various funds.

Per the State Government Code 53600 et seq., and the Midway City Sanitary District's (District) Investment Policy, the District may invest up to a maximum percentage of the entire portfolio funds in authorized financial investments.

The following table shows a summary of the District's authorized financial investments, the yield available as of the preparation of this report, the book and market value of the District's funds, the percentage of the District's pooled funds that are invested in each financial investment, and the maximum percentage (or dollar limit), allowable per the State Government Code and the District's investment policy.

MCSD's total invested cash as of September 30, 2026, is \$61,173,050.04

INVESTMENT	TYPE OF INVESTMENT	MATURITY DATE	YIELD	BOOK VALUE AS OF 9/30/2026	MARKET VALUE AS OF 9/30/2026	% OF PORTFOLIO	MAXIMUM PERCENTAGE OF PORTFOLIO

Performance results are shown net of all fees and expenses and reflect the reinvestment of dividends and other earnings. Many factors affect performance including changes in market conditions and interest rates and in response to other economic, political, or financial developments. Investment involves risk including the possible loss of principal. No assurance can be given that the performance objectives of a given strategy will be achieved. **Past performance is no guarantee of future results. Any financial and/or investment decision may incur losses.**

Account Statement

For the Month Ending September 30, 2026

Important Disclosures

Important Disclosures

This statement is for general information purposes only and is not intended to provide specific advice or recommendations. PFM Asset Management ("PFMAM") is a division of U.S. Bancorp Asset Management, Inc. ("USBAM"), a SEC-registered investment adviser. USBAM is direct subsidiary of U.S. Bank National Association ("U.S. Bank") and an indirect subsidiary of U.S. Bancorp. U.S. Bank is not responsible for and does not guarantee the products, services or performance of PFMAM. PFMAM maintains a written disclosure statement of our background and business experience. If you would like to receive a copy of our current disclosure statement, please contact Service Operations at the address below.

Proxy Voting PFMAM does not normally receive proxies to vote on behalf of its clients. However, it does on occasion receive consent requests. In the event a consent request is received the portfolio manager contacts the client and then proceeds according to their instructions. PFMAM's Proxy Voting Policy is available upon request by contacting Service Operations at the address below.

Questions About an Account PFMAM's monthly statement is intended to detail our investment advisory activity as well as the activity of any accounts held by clients in pools that are managed by PFMAM. The custodian bank maintains the control of assets and executes (i.e., settles) all investment transactions. The custodian statement is the official record of security and cash holdings and transactions. PFMAM recognizes that clients may use these reports to facilitate record keeping and that the custodian bank statement and the PFMAM statement should be reconciled and differences resolved. Many custodians use a settlement date basis which may result in the need to reconcile due to a timing difference. If you do not receive a report from the custodian on at least a quarterly basis, please notify your relationship manager at your custodian and PFMAM.

Account Control PFMAM does not have the authority to withdraw funds from or deposit funds to the custodian outside the scope of services provided by PFMAM. Our clients retain responsibility for their internal accounting policies; implementing and enforcing internal controls and generating ledger entries or otherwise recording transactions.

Market Value Generally, PFMAM's market prices are derived from closing bid prices as of the last business day of the month as supplied by ICE Data Services. There may be differences in the values shown for investments due to accrued but uncollected income and the use of differing valuation sources and methods. Non-negotiable FDIC-insured bank certificates of deposit are priced at par. Although PFMAM believes the prices to be reliable, the values of the securities may not represent the prices at which the securities could have been bought or sold. Explanation of the valuation methods for a registered investment company or local government investment program is contained in the appropriate fund offering documentation or information statement.

Amortized Cost The original cost of the principal of the security is adjusted for the amount of the periodic reduction of any discount or premium from the purchase date until the date of the report. Discount or premium with respect to short term securities (those with less than one year to maturity at time of issuance) is amortized on a straightline basis. Such discount or premium with respect to longer term securities is amortized using the constant yield basis.

Tax Reporting Cost data and realized gains / losses are provided for informational purposes only. Please review for accuracy and consult your tax advisor to determine the tax consequences of your security transactions. PFMAM does not report such information to the IRS or other taxing authorities and is not responsible for the accuracy of such information that may be required to be reported to federal, state or other taxing authorities.

Financial Situation In order to better serve you, PFMAM should be promptly notified of any material change in your investment objective or financial situation.

Callable Securities Securities subject to redemption prior to maturity may be redeemed in whole or in part before maturity, which could affect the yield represented.

Portfolio The securities in this portfolio, including shares of mutual funds, are not guaranteed or otherwise protected by PFMAM, the FDIC (except for certain non-negotiable certificates of deposit) or any government agency. Investment in securities involves risks, including the possible loss of the amount invested. Actual settlement values, accrued interest, and amortized cost amounts may vary for securities subject to an adjustable interest rate or subject to principal paydowns. Any changes to the values shown may be reflected within the next monthly statement's beginning values.

Rating Information provided for ratings is based upon a good faith inquiry of selected sources, but its accuracy and completeness cannot be guaranteed.

Shares of some local government investment programs and TERM funds are distributed by representatives of USBAM's affiliate, U.S. Bancorp Investments, Inc. which is registered with the SEC as a broker/dealer and is a member of the Financial Industry Regulatory Authority ("FINRA") and the Municipal Securities Rulemaking Board ("MSRB"). You may reach the FINRA by calling the FINRA Hotline at 1-800-289-9999 or at the FINRA website address <https://www.finra.org/investors/investor-contacts>. A brochure describing the FINRA Regulation Public Disclosure Program is also available from FINRA upon request.

Key Terms and Definitions

Dividends on local government investment program funds consist of interest earned, plus any discount ratably amortized to the date of maturity, plus all realized gains and losses on the sale of securities prior to maturity, less ratably amortization of any premium and all accrued expenses to the fund. Dividends are accrued daily and may be paid either monthly or quarterly. The monthly earnings on this statement represent the estimated dividend accrued for the month for any program that distributes earnings on a quarterly basis. There is no guarantee that the estimated amount will be paid on the actual distribution date.

Current Yield is the net change, exclusive of capital changes and income other than investment income, in the value of a hypothetical fund account with a balance of one share over the seven-day base period including the statement date, expressed as a percentage of the value of one share (normally \$1.00 per share) at the beginning of the seven-day period. This resulting net change in account value is then annualized by multiplying it by

365 and dividing the result by 7. The yields quoted should not be considered a representation of the yield of the fund in the future, since the yield is not fixed. **Average maturity** represents the average maturity of all securities and investments of a portfolio, determined by multiplying the par or principal value of each security or investment by its maturity (days or years), summing the products, and dividing the sum by the total principal value of the portfolio. The stated maturity date of mortgage backed or callable securities are used in this statement. However the actual maturity of these securities could vary depending on the level or prepayments on the underlying mortgages or whether a callable security has or is still able to be called.

Monthly distribution yield represents the net change in the value of one share (normally \$1.00 per share) resulting from all dividends declared during the month by a fund expressed as a percentage of the value of one share at the beginning of the month. This resulting net change is then annualized by multiplying it by 365 and dividing it by the number of calendar days in the month.

YTM at Cost The yield to maturity at cost is the expected rate of return, based on the original cost, the annual interest receipts, maturity value and the time period from purchase date to maturity, stated as a percentage, on an annualized basis.

YTM at Market The yield to maturity at market is the rate of return, based on the current market value, the annual interest receipts, maturity value and the time period remaining until maturity, stated as a percentage, on an annualized basis.

Managed Account A portfolio of investments managed discretely by PFMAM according to the client's specific investment policy and requirements. The investments are directly owned by the client and held by the client's custodian.

Unsettled Trade A trade which has been executed however the final consummation of the security transaction and payment has not yet taken place.

Please review the detail pages of this statement carefully. If you think your statement is wrong, missing account information, or if you need more information about a transaction, please contact PFMAM within 60 days of receipt. If you have other concerns or questions regarding your account, or to request an updated copy of PFMAM's current disclosure statement, please contact a member of your client management team at PFMAM Service Operations at the address below.

AGENDA ITEM 7C

Date: October 20, 2026

To: Board of Directors

From: Robert Housley, General Manager

Prepared by: Gordon Copley, Director of Finance

Subject: Receive and File The California Employers' Retiree Benefit Trust (CERBT) and The Pension Prefunding Trust (CEPPT) Account Update Summaries as of September 30, 2026

BACKGROUND

To support the funding and long-term sustainability of post-employment benefits provided to public employees, the State of California, in partnership with CalPERS, established Section 115 Trusts. These Trusts serve as irrevocable funding mechanisms that safeguard assets and ensure a prudent, fiscally responsible approach to meeting agencies' post-employment benefit obligations.

CERBT:

In 2007, CalPERS established the California Employers' Retiree Benefit Trust (CERBT), an irrevocable Section 115 trust designed for public agencies seeking to prefund their Other Post-Employment Benefits (OPEB) obligations. The Midway City Sanitary District (District) provides health insurance coverage for eligible retirees as part of its post-employment benefits program.

On April 27, 2010, during a regular meeting, the District's Board of Directors approved participation in CERBT and authorized the establishment of a trust account to begin prefunding the District's OPEB liabilities.

CEPPT:

In September 2018, the California State Legislature enacted Senate Bill 1413 (SB 1413), which created the California Employers' Pension Prefunding Trust (CEPPT). CEPPT is a special irrevocable trust fund within the State Treasury, designed to allow State and local public agencies that offer defined benefit pension plans to prefund their pension obligations. Contributions made to CEPPT are invested in public market securities by CalPERS, and both the contributions and resulting investment earnings are dedicated exclusively to meeting employers' future pension obligations.

On August 20, 2019, during a regular meeting, the District's Board of Directors approved participation in the CEPPT program and authorized the establishment of a trust account with CalPERS for the purpose of prefunding the District's required pension contributions.

DISCUSSION

By participating in the California Employers' Retiree Benefit Trust (CERBT) and the California Employers' Pension Prefunding Trust (CEPPT) Program 115 Trusts, the District has established a

prudent and sustainable means of financing future benefit costs. These trusts allow the District to leverage investment earnings managed by CalPERS, which historically provides substantial funding support. For example, investment income currently funds approximately three dollars of every four dollars or more paid in pension benefits. Similarly, the earnings generated through these trusts are expected to provide significant long-term revenues to help meet the District's retiree obligations. Utilizing investment returns in conjunction with original contributions represents a fiscally responsible approach to stabilizing and sustaining these long-term commitments.

The Trusts serve as formal funding mechanisms through which public agencies can prefund retiree Other Post-Employment Benefits (OPEB) and pension liabilities as employees render service. Once deposited, funds are held in irrevocable trust accounts and may only be used for the payment of retiree benefit obligations. This safeguard ensures the ongoing financial integrity and long-term viability of these benefit programs. This structure mirrors the operational framework of traditional pension trusts, such as the District's retirement plan administered by CalPERS.

Participation in these Trusts provides the District with a fiscally sound and cost-effective method of meeting its post-employment benefit obligations. In addition, the prefunding of liabilities through a Section 115 Trust reduces financial pressures on the District's annual operating budget by smoothing cash flow requirements. This approach supports the District's long-term financial stability while demonstrating a commitment to responsibly managing employee benefit obligations.

FISCAL IMPACT

AGENDA ITEM 7D

Date: October 20, 2026

To: Board of Directors

From: Robert Housley, General Manager

Prepared by: Milo Ebrahimi, P.E., District Engineer

Subject: Receive and File the Engineer Report for September 2026

BACKGROUND

The District Engineer prepares a monthly report for the Board of Directors to inform about engineering and engineering related activities. This report includes monthly progress of District projects, reviewed plans, sewer department projects and activities, trainings and meetings, preventive maintenances and repairs of the district assets, and more.

DISCUSSION

1. Plans Reviewed

1.1. Sewer permits

1.1.1. Sewer permits processed this month: 29 (Please note that each permit could be a combination of the following projects.)

1.1.1.1. No. of Residential Projects: 3.

1.1.1.2. No. of Residential Additions: 9.

1.1.1.3. No. of Accessory Dwelling Units (ADUs): 14.

1.1.1.4. No. of Junior Accessory Dwelling Units (JADUs): 7.

1.1.1.5. No. of Non-Residential Projects: 1.

1.1.1.6. No. of Non-Residential Projects include Food Service Establishments: 1.

1.1.1.7. Manhole Projects: 1.

1.1.2. Sewer permits processed this fiscal year so far: 66.

1.2. Development projects (trash enclosures and/or sewer lines):

1.2.1. This month: 12.

1.2.2. This fiscal year so far: 27.

2. Sewer department projects

2.1. Edward Street Sewer Main Extension and Upsizing Project

2.1.1. The proposed improvements include the extension of the public sewer main along Edward Street and the upsizing of a portion of the existing sewer main to accommodate projected wastewater flows associated with the Bolsa Pacific at Westminster redevelopment project.

- 2.1.2. District staff and the District's engineering consultant completed the initial review of the sewer improvement plans and supporting technical documents submitted by the developer.
- 2.1.3. District staff, the District's engineering consultant, and the developer's engineering team continue to coordinate regarding sewer capacity analysis, plan review comments, and proposed public sewer infrastructure improvements associated with the project.
- 2.1.4. Comments on the sewer study and utility improvement plans was provided to the developer's engineering team for review and response. Additional coordination and plan revisions are anticipated as the project advances through the design review process.
- 2.1.5. District staff are evaluating the developer's request regarding the acceptance of certain proposed in-tract sewer facilities as public sewer infrastructure, subject to compliance with all applicable District standards, specifications, easement requirements, and operational criteria.
- 2.1.6. District staff and District's engineering consultant are reviewing the 2nd sewer improvement plans submittal and supporting technical documents submitted by the developer this month.

2.2. Sewer Condition Assessment Project by AKM Consulting Engineers

- 2.2.1. This project consists of reviewing and evaluating existing 2024 CCTV inspection data and NASSCO ratings for approximately 851,187 feet of sewer gravity mains. The consultant will use District-provided ratings and SewerAI videos to assess structural and maintenance conditions and support the District's planning and asset management efforts.
- 2.2.2. The Board approved awarding the contract to the consultant, AKM Consulting Engineers, on February 17, 2026, board meeting.
- 2.2.3. The District meets AKM biweekly to go over the progress.
- 2.2.4. The partial draft report was provided to the District for review.
- 2.2.5. The project will be completed in 1 month.

2.3. Capital Improvement Program (CIP) Project: Sewer Line Rehabilitation Project by Sancon

- 2.3.1. A Sewer Line Rehabilitation CIP is a planned project to repair or replace aging or damaged sewer pipes, often using trenchless methods like CIPP lining. It improves system reliability, prevents failures, and extends infrastructure life with minimal surface disruption.
- 2.3.2. In NASSCO standards, Rating 5 indicates the most severe condition in sewer infrastructure, signaling critical structural or operational defects that require immediate attention to prevent potential system failure.

- 2.3.3. The Board awarded the project to the lowest responsible bidder, Vortex Services, LLC dba Sancon Technologies, on March 17, 2026.
- 2.3.4. The Contractor finished CIPP lining of all segments.
- 2.3.5. Following the Board's acceptance of the project at the September 15 Board meeting, the Notice of Completion was recorded with the County Recorder's Office.

2.4. Manholes at Westminster Boulevard and Springdale Street Siphon Project by Big Ben Engineering

- 2.4.1. There is a blocked and possibly damaged siphon at the intersection of Westminster Blvd and Springdale St.
- 2.4.2. AKM prepared the construction repair plans and specifications for construction of two manholes to restore the sewer flow.
- 2.4.3. The Request For Bid (RFB) is approved by the Board for advertisement on August 19, 2025.
- 2.4.4. The Public Bid Opening was on September 29, 2025, at 11:00 A.M. The District has received 3 bids from contractors.
- 2.4.5. The Board rejected all received bids due to the irregularity in the bid package and the Board approved rebidding of the Project on November 4, 2025.
- 2.4.6. The Project is published on the District's website again and the mandatory job walk was on December 11, 2025, at 10:00 A.M.
- 2.4.7. The Public Bid Opening was on January 20, 2026, at 11:00 A.M. The District has received 4 bids from contractors.
- 2.4.8. The Board awarded the project to the lowest responsible bidder, Big Ben Engineering, on February 3, 2026, Board meeting.
- 2.4.9. The contractor received encroachment permit from Caltrans and the City.
- 2.4.10. The project will be completed in 3 months.

2.5. Updating Sewer Design and Construction Requirements for Sanitary Sewers Project by Psomas

- 2.5.1. Sewer Design and Construction Requirements are the standards and guidelines that govern how sewer systems must be designed and built to ensure safe, reliable, and efficient wastewater collection and transport.
- 2.5.2. District's Sewer Standards covers system layout, pipe sizing, materials, construction methods, alignment with environmental regulations, and provisions for future growth. These requirements help protect public health, minimize environmental impacts, and ensure that sewer infrastructure remains durable and cost-effective over its service life. Current District's Sewer Standards was approved by the Board on November 2, 2010.
- 2.5.3. This project will be a joint effort between the District and the Costa Mesa Sanitary District (CMSD) to update the standards of both districts.

- 2.5.4. The District and CMSD worked together on the Request for Proposal (RFP), the Scope of Work, and the Memorandum of Understanding (MOU) for this project.
- 2.5.5. The MOU Between the Costa Mesa Sanitary District and the Midway City Sanitary District For Sharing Costs to Develop Agency Standard Specifications and Drawings was presented to the Board for approval on November 18, 2025.
- 2.5.6. The RFP is published by CMSD's website and the deadline for receipt of proposals was on January 23, 2026, at 2:00 P.M.
- 2.5.7. The District and CMSD reviewed the only proposal received and tried to negotiate the total cost with the consultant. Then, the received proposal is rejected.
- 2.5.8. The District and CMSD revised the Scope of Work and issued the updated RFP. Proposals are due by May 13, 2026, at 1:00 PM.
- 2.5.9. A total of three proposals were received. The proposals were jointly evaluated by CMSD and MCSD, and Psomas received the highest overall score among the three respondents. The project was subsequently awarded to Psomas.
- 2.5.10. CMSD and MCSD had a kick-off meeting with the consultant. The project is initiated.
- 2.5.11. The project will be completed in 2 months.

2.6. FOG Program Management and Inspection Services with BMPs

- 2.6.1. The District has launched a FOG Program Management and Inspection Services project to strengthen compliance with its FOG Control Program under Ordinance No. 63. The District hired a qualified contractor to conduct inspections, outreach, tracking, and reporting for about 470 Food Service Establishments, ensuring proper grease control practices, educating owners on BMPs, and reducing FOG discharges to protect the sanitary sewer system.
- 2.6.2. The first round of inspections, including BMP implementation and compliance review, was completed in January 2026.
- 2.6.3. The second round of inspections, including BMP implementation and compliance review, was completed in July 2026.
- 2.6.4. The contractor has submitted the draft annual report for District to review, which provides comprehensive information on the condition of all Food Service Establishments within the District.

2.7. 6402 Maple Street Demolition Plan

- 2.7.1. The District recently purchased the property located at 6402 Maple Avenue in Westminster for future District needs. The property currently contains three commercial buildings and other site improvements - all are in poor condition - that are no longer needed.
- 2.7.2. The District's consultant, Robin B. Hamers & Associates, has prepared the demolition plans for review and approval by the City of Westminster. The demolition project will include the removal of the existing buildings, concrete

improvements, walls, gates, and other site features, as well as the disconnection and capping of existing utility services.

2.7.3. The District is working with the consultant to provide the requested documents for the demolition plans.

2.7.4. Following City approval of the demolition plans, the project will be advertised for competitive bidding, and a construction contract will be presented to the Board for award.

2.8. Progressive Design-Build Feasibility and Project Management Consulting Services for the Sewer System Capacity Upsizing Projects

2.8.1. The District is seeking a qualified consultant through a Request For Proposal (RFP) to evaluate the feasibility of using progressive design-build for its sewer system capacity upsizing projects. If feasible, the consultant will assist with project management support activities, project scheduling and implementation, Request For Qualification (RFQ) preparation, design-builder selection, negotiations, contract management, and owner's representation during design and construction.

2.8.2. The Proposal due date is October 19, 2026, at 1:00 PM.

2.9. Brookhurst Lift Station Improvement Design Project

2.9.1. The District is working on a Request for Proposals (RFP) to retain a qualified consultant to evaluate existing conditions, conduct a comprehensive engineering study, and develop the most feasible and cost-effective solution to address existing deficiencies at the Brookhurst lift station. The selected consultant will evaluate current facility conditions, confirm and refine the recommendations identified in the 2025 Sewer System Master Plan (SSMP) for Brookhurst Lift Station, and prepare complete, construction-ready plans, specifications, and cost estimates for the recommended improvements.

2.9.2. The proposed design will address all applicable SSMP recommendations, improve system reliability and operational efficiency, and include any additional upgrades determined to be necessary based on the consultant's evaluation of existing conditions, regulatory requirements, operational needs, and long-term system performance objectives.

2.10. GM15 Gravity Sewer Main Capacity Improvement Design Project

2.10.1. The District is working on a Request for Proposals (RFP) to retain a qualified consultant to evaluate existing conditions, conduct a detailed engineering analysis, and develop the most feasible solution to address identified capacity deficiencies within the sewer system. The selected consultant will confirm the recommended improvements identified in the 2025 Sewer System Master Plan (SSMP) for GM15

and prepare complete, construction-ready design documents for the necessary gravity sewer main upgrades along Goldenwest Street.

- 2.10.2. The project includes approximately 496 linear feet of capacity-deficient sewer main identified in Section 9-4, Gravity Main Capacity Improvement Projects, of the 2025 SSMP as Project GM15. The deficiency was identified along Goldenwest Street between Fenway Drive and Humboldt Avenue. The proposed improvements are intended to eliminate existing hydraulic constraints, increase conveyance capacity, enhance system reliability, and accommodate projected wastewater flows within the service area. In addition, the consultant will evaluate whether improvements should be extended beyond the currently identified segment to address adjacent system limitations and provide a comprehensive long-term solution for this portion of the District's collection system.

3. Sewer Department Activities

- 3.1. There was no callouts this month.
- 3.2. There was no new sewer emergency case project this month.
- 3.3. There was no public sanitary sewer overflow (SSO) this month.
- 3.4. 52 hotspot locations were checked this month.
- 3.5. 14 sewer inspections were performed this month.
- 3.6. 60 hotspot and siphon locations were cleaned this month.
- 3.7. About 51,000 linear feet (9.7 miles) of sewer line were cleaned on the east and/or west side this month.

4. Trainings and Meetings (not project related)

- 4.1. Sewer Crew attended the sanitary sewer overflow training at the City of Huntington Beach.
- 4.2. Sewer Crew attended CWEA training for CWEA grade 1 test.
- 4.3. District Engineer and Director of Services and Program Development attended the Supervision Academy trainings by MWDOC.
- 4.4. District Engineer and Engineering Technician attended the virtual CASA Collection Systems Workgroup.
- 4.5. Executive staff attended the State of OC San Luncheon at OC San.
- 4.6. Engineering Technician attended the CSDA virtual training for Mastering Difficult Conversation at work.
- 4.7. District Engineer and Engineering Technician attended virtual DRT meeting.

5. Preventive Maintenances (PM) and Repairs

- 5.1. Clean Energy performed the monthly PM services on the CNG station at the yard.
- 5.2. Golden Bell treated approximately 600 manholes on the west side of the District using a cockroach mitigation product.

6. Regulation and Reporting

6.1. California Water Resources Control Board (CWRCB)

6.1.1. The Monthly No-Spills Report is submitted to the CWRCB through the California Integrated Water Quality System (CIWQS).

6.2. California Air Resources Board (CARB)

6.2.1. The Quarterly Low Carbon Fuel Standard (LCFS) Report is submitted to the CARB website.

FISCAL IMPACT

Informational report only.

STAFF RECOMMENDATION

Staff recommend that the Board of Directors receive and file the Engineer Report for September 2026.

AGENDA ITEM 9A

Date: October 20, 2026

To: Board of Directors

From: Robert Housley, General Manager

Prepared by: Ashley Davies, Director of Services and Program Development

Subject: Consider Adoption of Resolution No. 2026-22, Entitled:

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE MIDWAY CITY SANITARY DISTRICT OF ORANGE COUNTY, CALIFORNIA, AUTHORIZING SUBMITTAL OF APPLICATION(S) FOR ALL CALRECYCLE GRANTS FOR WHICH MIDWAY CITY SANITARY DISTRICT IS ELIGIBLE

BACKGROUND

In 2023, the Midway City Sanitary District (District) received a \$274,786 grant from the California Department of Resources Recycling and Recovery (CalRecycle) through its SB 1383 Local Assistance Grant Program. The current grant term was scheduled to end on November 2, 2026. CalRecycle has granted an extension of the grant term through November 1, 2027.

DISCUSSION

The District has a resolution and authorized signatory designation on file permitting the General Manager or designee to execute grant-related documents. However, that authorization is scheduled to expire in January 2027, before the end of the extended grant term.

To maintain uninterrupted signatory authority through the extension period, CalRecycle requires an updated resolution designating the General Manager or designee as the authorized signer for this grant. The proposed resolution provides the necessary authorization for grant documents, including agreements, amendments, reports, and payment or reimbursement requests.

FISCAL IMPACT

There is no fiscal impact associated with the approval of this resolution.

STAFF RECOMMENDATION

Staff recommends that the Board of Directors adopt Resolution No. 2026-22.

ATTACHMENTS

1. RESOLUTION NO. 2026-22, AUTHORIZING SUBMITTAL OF APPLICATION(S) FOR ALL CALRECYCLE GRANTS FOR WHICH MIDWAY CITY SANITARY DISTRICT IS ELIGIBLE

RESOLUTION NO. 2026-22

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE MIDWAY CITY SANITARY DISTRICT OF ORANGE COUNTY, CALIFORNIA, AUTHORIZING SUBMITTAL OF APPLICATION(S) FOR ALL CALRECYCLE GRANTS FOR WHICH MIDWAY CITY SANITARY DISTRICT IS ELIGIBLE

The Board of Directors of the Midway City Sanitary District hereby finds, determines, declares, and resolves as follows:

WHEREAS, Public Resources Code sections 48000 et seq. authorize the Department of Resources Recycling and Recovery (CalRecycle) to administer various grant programs (grants) in furtherance of the State of California's (state) efforts to reduce, recycle and reuse solid waste generated in the state thereby preserving landfill capacity and protecting public health and safety and the environment; and

WHEREAS, in furtherance of this authority CalRecycle is required to establish procedures governing the application, awarding, and management of the grants; and

WHEREAS, CalRecycle grant application procedures require, among other things, an applicant's governing body to declare by resolution certain authorizations related to the administration of CalRecycle grants.

WHEREAS, on January 18, 2022, the Board of Directors adopted Resolution No. 2022-03 authorizing submittal of application(s) for all Calrecycle grants for which the District is eligible.

WHEREAS, the authorizations set forth in Resolution No. 2022-03 expire on January 18, 2027.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE MIDWAY CITY SANITARY DISTRICT AS FOLLOWS:

1. The Board of Directors of the Midway City Sanitary District authorizes the submittal of application(s) to CalRecycle for all grants for which Midway City Sanitary District is eligible.
2. The General Manager, or his/her designee is hereby authorized and empowered to execute in the name of the Midway City Sanitary District all grant documents, including but not limited to, applications, agreements, amendments and requests for payment, necessary to secure grant funds and implement the approved grant project.
3. These authorizations are effective for five (5) years from the date of adoption of this Resolution.

PASSED AND ADOPTED, at a regular meeting of the Board of Directors of Midway City Sanitary District of Orange County, California, held this 20th day of October, 2026.

Chi Charlie Nguyen, President

ATTEST:

Sergio Contreras, Secretary

CERTIFICATION

I, Sergio Contreras, Secretary of the MIDWAY CITY SANITARY DISTRICT of Orange County, California, do hereby certify that the foregoing Resolution No. 2026-22 was duly adopted at a meeting of the Governing Board of said District held on the 20th day of October, 2026, by the following vote of the members of the Board:

Sergio Contreras, Secretary

AGENDA ITEM 9B

Date: October 20, 2026

To: Board of Directors

From: Robert Housley, General Manager

Prepared by: Cynthia Olsder, Executive/Board Secretary

Subject: A RESOLUTION NO. 2026-23 OF THE BOARD OF DIRECTORS OF THE MIDWAY CITY SANITARY DISTRICT OF ORANGE COUNTY, ADOPTING A CONFLICT OF INTEREST COST WHICH SUPERCEDES ALL PRIOR CONFLICT OF INTEREST CODES AND AMENDMENTS PREVIOUSLY ADOPTED

BACKGROUND

The Political Reform Act (Act) prohibits a public official from using his or her official position to influence a governmental decision in which he or she has a financial interest. Every state and local agency must adopt a Conflict of Interest code that identifies all officials and employees within the agency who make governmental decisions based on the positions they hold. The individuals in the designed positions must disclose their financial interests as specified in the agency's Conflict of Interest Code by filing a Statement of Economic Interest (or "Form 700") annually with the appropriate filing officer. Currently, Members of the Board of Directors and designated employees and consultants all file their Form 700s with the County of Orange.

The Act requires every local agency to review its Conflict of Interest Code biennially and to notify the code reviewing body if its current Code is accurate, or alternatively, that its Code must be amended. The Orange County Board of Supervisors is the code reviewing body for the District. Any amendments to the District's Conflict of Interest Code must be approved by both the Board of Directors and the Board of Supervisors. The District last amended its Conflict of Interest Code in 2024.

Pursuant to Section 87200 of the Act, certain public officials must file their Form 700s directly with the State's Fair Political Practices Commission (FPPC) and need not be listed in a local conflict of interest code. Effective this year, AB 852 amended Section 87200 of the Act to add "officials that manage public investments" to the list of officials required to file directly with the FPPC. Pursuant to the FPPC's regulations, "management of public investments" includes, among other things, directing the investment of public moneys, formulating or approving investment policies, approving or establishing guidelines for asset allocations, or approving investment transactions.

DISCUSSION

Staff has reviewed the District's current Conflict of Interest Code with legal counsel and has determined that Board Members, the General Manager, and the Finance Director are all positions that fall within the definition of "officials that manage public investments" pursuant to Section 87200 of the Act and the FPPC regulations and therefore should file their Form 700s directly with the FPPC. As a result, Staff recommends the Board amend its Conflict of Interest Code to remove

these positions and to specify for informational purposes that these positions are required to file directly with the FPPC .

FISCAL IMPACT

None.

STAFF RECOMMENDATION

Staff recommends that the Board adopt Resolution No. 2026-23 approving an amended District Conflict of Interest Code and direct staff to process the Code amendment with the County of Orange.

ATTACHMENTS

1. Resolution No. 2026-23 (pg. 60)
2. Resolution No. 2024-18 (pg. 66)
3. COI Combined Report Exhibit A & B – Final Draft (pg. 72)

RESOLUTION NO. 2026-23

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE MIDWAY CITY SANITARY DISTRICT OF ORANGE COUNTY ADOPTING A CONFLICT OF INTEREST CODE WHICH SUPERSEDES ALL PRIOR CONFLICT OF INTEREST CODES AND AMENDMENTS PREVIOUSLY ADOPTED

WHEREAS, the Political Reform Act of 1974, Government Code Section 81000 et. Seq. (“the Act”), requires a local government agency to adopt a Conflict of Interest Code pursuant to the Act; and

WHEREAS, the Midway City Sanitary District has previously adopted a Conflict of Interest Code and that Code now requires updating; and

WHEREAS, amendments to the Act have in the past and foreseeably will in the future require conforming amendments to be made to the Conflict of Interest Code; and

WHEREAS, the Fair Political Practices Commission has adopted a regulation, 2 California Code of Regulations Section 18730, which contains terms for a standard model Conflict of Interest Code, which, together with amendments thereto, may be adopted by public agencies and incorporated by reference to save public agencies time and money by minimizing the actions required of such agencies to keep their codes in conformity with the Political Reform Act; and

WHEREAS, the Midway City Sanitary District’s existing Conflict of Interest Code must be amended in order to reflect the current positions of those designated employees that are required to file statements of economic interest.

NOW, THEREFORE, the Board of Directors of the Midway City Sanitary District resolves as follows:

Section 1. The terms of 2 California Code of Regulations, Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference and, together with Exhibits A and B in which members and employees are designated and disclosure categories are set forth, constitute the Conflict of Interest Code of the Midway City Sanitary District.

Section 2. The provisions of all Conflict of Interest Codes and Amendments thereto previously adopted by the Midway City Sanitary District are hereby superseded.

Section 3. The Filing Officer is hereby authorized to forward a copy of this Resolution to the Clerk of the Orange County Board of Supervisors for review and approval by the Orange County Board of Supervisors as required by California Government Code Section 87303.

PASSED AND ADOPTED, at a regular meeting of the Board of Directors of Midway City Sanitary District of Orange County, California, held this 20th day of October, 2026.

Chi Charlie Nguyen, President

ATTEST:

Sergio Contreras, Secretary

**CONFLICT OF INTEREST CODE FOR THE
MIDWAY CITY SANITARY DISTRICT
(Adopted October 20, 2026)**

The Political Reform Act, Government Code Sections 81000, et. seq., requires state and local government agencies to adopt and promulgate Conflict of Interest Codes. The Fair Political Practices Commission has adopted a regulation (2 Cal. Code of Regs. Section 18730) which contains the terms of a standard Conflict of Interest Code, which may be incorporated by reference in an agency's code. After public notice and hearing it may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendix designating officials and employees and establishing disclosure categories, shall constitute the Conflict of Interest Code of the Midway City Sanitary District.

The following designated positions shall file statements of economic interests electronically with the Clerk of the Orange County Board of Supervisors: General Counsel. The Midway City Sanitary District's Political Reform Act Filing Officer, Executive/Board Secretary, will thereafter verify the completion of the filing statements. If the Filing Officer receives any statements of economic interest by other means, the Filing Officer shall make and retain a copy and forward the original of these statements to the Clerk of the Orange County Board of Supervisors. Statements for all other designated employees and consultants will be retained by the Filing Officer.

OFFICIALS WHO ARE SPECIFIED IN GOVERNMENT CODE SECTION 87200

Officials who are specified in Government Code section 87200 (including officials who manage public investments, as defined by 2 Cal. Code of Regs. § 18700.3 (b)), are NOT subject to the Agency's Conflict of Interest Code, but are subject to the disclosure requirements of the Political Reform Act, Government Code section 87100, et seq. Gov't Code §87203. These positions are listed here for informational purposes only.

The positions listed below are officials who are specified in Government Code section 87200:

Board of Directors
General Manager
Finance Director

The disclosure requirements for these positions are set forth in Government Code section 87200, et. seq. They require the disclosure of interests in real property in the agency's jurisdiction, as well as investments, business positions and sources of income (including gifts, loans and travel payments).

EXHIBIT B

MIDWAY CITY SANITARY DISTRICT

DISCLOSURE CATEGORIES CONFLICT OF INTEREST CODE

DISCLOSURE CATEGORY	DISCLOSURE DESCRIPTION
OC-01	All interests in real property in Orange County or the District, as applicable, as well as investments, business positions and sources of income (including gifts, loans, and travel payments).
OC-02	All investments, business positions and sources of income (including gifts, loans, and travel payments).
OC-30	Consultants shall be included in the list of designated employees and shall disclose pursuant to the broadest category in the code subject to the following limitation: The General Manager may determine that a particular consultant, although a “designated position,” is hired to perform a range of duties that is limited in scope and thus is not required to fully comply with the disclosure requirements in this section. Such a written determination shall include a description of the duties and based on that description, the category(ies) of required disclosure. This written determination is a public record and shall be filed with the Form 700 and retained by the Filing Officer for public inspection.

RESOLUTION NO. 2024-18

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE MIDWAY CITY SANITARY DISTRICT OF ORANGE COUNTY ADOPTING A CONFLICT OF INTEREST CODE WHICH SUPERSEDES ALL PRIOR CONFLICT OF INTEREST CODES AND AMENDMENTS PREVIOUSLY ADOPTED

WHEREAS, the Political Reform Act of 1974, Government Code Section 81000 et. Seq. ("the Act"), requires a local government agency to adopt a Conflict of Interest Code pursuant to the Act; and

WHEREAS, the Midway City Sanitary District has previously adopted a Conflict of Interest Code and that Code now requires updating; and

WHEREAS, amendments to the Act have in the past and foreseeably will in the future require conforming amendments to be made to the Conflict of Interest Code; and

WHEREAS, the Fair Political Practices Commission has adopted a regulation, 2 California Code of Regulations Section 18730, which contains terms for a standard model Conflict of Interest Code, which, together with amendments thereto, may be adopted by public agencies and incorporated by reference to save public agencies time and money by minimizing the actions required of such agencies to keep their codes in conformity with the Political Reform Act; and

WHEREAS, the Midway City Sanitary District's existing Conflict of Interest Code must be amended in order to reflect the current positions of those designated employees that are required to file statements of economic interest.

NOW, THEREFORE, the Board of Directors of the Midway City Sanitary District resolves as follows:

Section 1. The terms of 2 California Code of Regulations, Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference and, together with Exhibits A and B in which members and employees are designated and disclosure categories are set forth, constitute the Conflict of Interest Code of the Midway City Sanitary District.

Section 2. The provisions of all Conflict of Interest Codes and Amendments thereto previously adopted by the Midway City Sanitary District are hereby superseded.

Section 3. The Filing Officer is hereby authorized to forward a copy of this Resolution to the Clerk of the Orange County Board of Supervisors for review and approval by the Orange County Board of Supervisors as required by California Government Code Section 87303.

PASSED AND ADOPTED, at a regular meeting of the Board of Directors of Midway City Sanitary District of Orange County, California, held this 6th day of August, 2024.

Mark Nguyen, President

ATTEST:

Andrew Nguyen, Secretary

CERTIFICATION

I, Andrew Nguyen, Secretary of the MIDWAY CITY SANITARY DISTRICT of Orange County, California, do hereby certify that the foregoing Resolution No. 2024-18 was duly adopted at a meeting of the Governing Board of said District held on the 6th day of August, 2024 by the following vote of the members of the Board:

AYES: M. Nguyen, T. Diep, A. Nguyen, S. Contreras, C. Nguyen

NOES:

ABSENT:

and I further certify that Mark Nguyen, as President, and Andrew Nguyen, as Secretary, signed and approved said Resolution No. 2024-18 on the 6th day of August, 2024.

Andrew Nguyen, Secretary

(District Seal)

STATE OF CALIFORNIA)
) ss.
COUNTY OF ORANGE)

I, Andrew Nguyen, Secretary of the Midway City Sanitary District of Orange County, California, do hereby certify that the foregoing is a full, true and correct copy of Resolution No. 2024-18 passed and adopted by the Board of Directors of said District at a meeting thereof held on the 6th day of August, 2024.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my official Seal of said District this 6th day of August, 2024.

Andrew Nguyen, Secretary

**CONFLICT OF INTEREST CODE FOR THE
MIDWAY CITY SANITARY DISTRICT
(Adopted August 6, 2024)**

The Political Reform Act, Government Code Sections 81000, et. seq., requires state and local government agencies to adopt and promulgate Conflict of Interest Codes. The Fair Political Practices Commission has adopted a regulation (2 Cal. Code of Regs. Section 18730) which contains the terms of a standard Conflict of Interest Code, which may be incorporated by reference in an agency's code. After public notice and hearing it may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendix designating officials and employees and establishing disclosure categories, shall constitute the Conflict of Interest Code of the Midway City Sanitary District.

The following designated positions shall file statements of economic interests electronically with the Clerk of the Orange County Board of Supervisors: Midway City Sanitary District Board of Directors, General Manager, General Counsel, and Finance Director. The Midway City Sanitary District's Political Reform Act Filing Officer, Executive/Board Secretary, will thereafter verify the completion of the filing statements. If the Filing Officer receives any statements of economic interest by other means, the Filing Officer shall make and retain a copy and forward the original of these statements to the Clerk of the Orange County Board of Supervisors. Statements for all other designated employees and consultants will be retained by the Filing Officer.

AGENDA ITEM 9C

Date: October 20, 2026

To: Board of Directors

From: Robert Housley, General Manager

Prepared by: Milo Ebrahimi, P.E., District Engineer

Subject: Receive and File the Fats, Oils, and Grease (FOG) Control Program 2025-2026 Annual Report

BACKGROUND

The California State Water Resources Control Board (SWRCB) adopted the Statewide General Waste Discharge Requirements (WDR) for Sanitary Sewer Systems to ensure cities and districts maintain sewer infrastructure to prevent sewage spills which threaten human health and the environment. The Fats, Oils and Grease (FOG) Program is one component which requires cities and districts to inspect restaurants and educate restaurant owners to minimize the amount of FOG they introduce into the public sewer system.

In July 2004, the Midway City Sanitary District adopted Ordinance No. 63 to address the significant impact of FOG discharges from Food Service Establishments (FSEs) on the sewer system. Ordinance No. 63 establishes a comprehensive FOG Control Program, mandating FSEs to install and maintain grease control devices, obtain discharge permits, and adhere to best management practices (BMPs). There are approximately 350 FSEs within the District's jurisdiction, which contribute to the generation of FOG. To reduce the risk of sewer blockages and sanitary sewer overflows (SSOs), Ordinance No. 63 provides for the District to administer a FOG Control Program.

To support implementation of the District's FOG Program and provide inspection services, the District entered into an agreement with John L. Hunter & Associates, Inc. (JLHA) in July 2025. These services help reduce sewer blockages and SSOs while maintaining compliance with State regulations.

DISCUSSION

JLHA prepared the annual report summarizing the District's Fats, Oils, and Grease (FOG) Program activities, inspection findings, and recommendations for program improvement. Activities included updating food service establishment records, developing an online inspection tracking system, conducting inspections and follow-up visits, issuing enforcement notices, and providing multilingual educational materials to promote proper grease management and protect the sewer collection system.

Inspections identified inadequate cleaning and maintenance of grease control devices, incomplete maintenance records, damaged or inaccessible equipment, disconnected grease interceptors, and improper outdoor cooking oil handling. Although initial inspections prompted corrective actions,

follow-up inspections revealed recurring maintenance and recordkeeping deficiencies. Facility closures and refusals of entry also prevented completion of some inspections, indicating a need for continued outreach and enforcement coordination.

JLHA recommends strengthening enforcement for repeated noncompliance, considering fines and fee schedules to support enforcement and program administration, and streamlining corrective action notices. Additional recommendations include improving visual educational materials, targeting potential FOG contributors near identified hotspots, and reinforcing cleaning requirements for smaller grease traps. These recommendations provide a basis for evaluating program improvements to promote sustained compliance and reduce the risk of FOG-related sewer blockages and SSOs.

JLHA will present the Annual Report to the Board at the meeting.

FISCAL IMPACT

None. This is an informational report only; no action is requested at this time.

STAFF RECOMMENDATION

Staff recommend that the Board of Directors receive and file the FOG Control Program Annual 2025-2026 Report.

1. Executive Summary

At the completion of the 2025-2026 reporting year, JLHA is pleased to present this Annual Report to the Midway City Sanitary District (District). This report details the Fats, Oils, and Grease (FOG) control activities performed and provides recommendations to enhance the District's FOG Control Program. As outlined in our initial scope of work, this report reviews inspection results, compliance metrics, and program procedures to identify strategies for decreasing non-compliance, improving FSE education, and pinpointing FOG hotspots for prioritized efforts.

2. Program Setup and Field Activities

During the first year of the program, JLHA established the foundation required to effectively manage and monitor Food Service Establishments (FSEs) within the District. This work included program setup, educational outreach, field accommodations, and the execution of core inspection activities.

Program Setup and Data Management

JLHA reviewed the District's FOG ordinance to ensure all program operations align with the District's legal authority. We met with District staff multiple times to finalize implementation details, cross-referenced health care agency lists to identify all FSEs, and utilized City sewer line data to pinpoint FOG hotspots and prioritize inspections accordingly. Additionally, we developed an online application to track FSE details, inspection records, and noncompliance data.

Outreach, Education, and Field Accommodations

JLHA designed, authored, and printed both a comprehensive FOG Manual and a FOG educational poster specifically for the District. Recognizing the demographic makeup of the area, we translated educational videos and printed posters in three languages - Vietnamese, English, Spanish - and provided digital content for the District's FOG website. JLHA also prepared and mailed program introduction letters to all identified FSEs.

Because much of the population within the District speaks Vietnamese, JLHA inspectors were equipped with inspection letters written in Vietnamese and utilized the Google Translate app in the field. This effectively communicated our purpose, legitimized the District's presence, and compelled businesses to allow the inspections.

Field Inspections and Enforcement

With the community informed and program materials finalized, the JLHA team executed the core field operations. JLHA conducted all required initial and follow-up inspections across the District, physically distributed the newly printed FOG manuals and posters to every facility during our site visits, and prepared and issued all necessary enforcement letters.

3. Performance Metrics

The following three data tables represent the inspection and compliance metrics for the year. Select photographs of non-compliant FSEs are included in Appendix B. For complete lists of facilities, inspections, types of noncompliance, and enforcement actions issued, see Appendices E, F, G, and H.

Table 1. Facility, Inspection, and Noncompliance Data Summary

Metric Category	Total Count
FSE Facilities Identified (during 1st round)	340
FSEs Out of Business (during 2nd round)	9
Inspections Required (two rounds)	671
Inspections Conducted (two rounds)	652
FSEs in Noncompliance (Round 1)	106
FSEs in Noncompliance (Round 2)*	126

* Stricter inspection standards increased total noncompliant FSEs in Round 2.

Table 2. Breakdown of Noncompliance by Type

Noncompliance Type	Round 1	Round 2**
Inadequate GCD* records	49	73
GCD required cleanout	37	33
GCD had broken baffle pipes or partitions	28	26
Spills of cooking oil outdoors	16	10
GCD inaccessible (lid seized shut or unattached)	14	14
GCD disconnected from the FSE	3	3

* GCD: Grease control device.

** Stricter inspection standards increased total noncompliant FSEs in Round 2.

Table 3. Enforcement Actions Issued

Action Type	Count
Corrective Action Notices	232
Notices of Non-Compliance (NONC)	32
Notices of Violation (NOV)	0
Compliance Schedule Agreements	0
Fines	0

4. Field Observations and Program Results

As expected during the inaugural year of a FOG inspection program, field inspectors encountered a high volume of noncompliant FSEs typical of an area that has not experienced regular FOG inspections for an extended period.

Baseline Conditions and Equipment Issues

Damaged Grease Control Devices

Many facilities (40) had grease traps / interceptors with broken or severely deteriorated baffle pipes or baffle partitions, resulting in GCDs that were not operating as designed, which led to FOG discharge to the District's sewer lines. See Appendix J for the list of facilities.

Seized and Damaged Lids

Numerous grease interceptor lids were sealed shut ("seized") due to accumulations of grease, dirt, and rust between the lids and frames. Furthermore, some lids had damaged or missing insertion holes/rings for crowbars, rendering them impossible to open for visual inspection. Future enforcement should prioritize requiring FSEs to repair or replace these damaged lids. During the first round of inspections (14) FSEs had GCDs that were inaccessible for inspection, and during the second round a different set of (14) FSEs had inaccessible GCDs. The facilities containing these conditions are found in Appendix G.

Disconnected Grease Control Devices

There were three facilities that had grease interceptors that were found to have been disconnected from the food service establishment. These FSEs were near a FOG hotspot. The facilities with this condition are found in Appendix G.

Vaulted Grease Traps

Some facilities (8) feature underground vaults housing their grease traps. These vaults were often found to be in unsanitary and unsafe conditions for inspections and maintenance. They were often infested with cockroaches, and had lids covered with a thick layer of dried grease. Additionally the lids were often very heavy or the secondary lids were several feet down in the vault, which prevents inspectors from accessing the traps and makes it challenging for service technicians to access them for maintenance.

These GCDs were inaccessible for inspection. However, JLHA generally did not cite the FSE for non-compliance, as the vaulted grease traps were presumably permitted by the City of Westminster. Moving forward, the District may wish to require FSE staff to remove the grease trap lids during inspections to allow visual assessment of their internal condition.

Maintenance and Compliance Behaviors

Inadequate Cleanout Frequencies

Cleanout records indicated a widespread lack of GCD maintenance. FSEs requiring weekly grease trap cleanouts were observed cleaning them only every 1 to 3 months, often waiting until sewage backups occurred. See Table 2 for the total number and Appendix G for the list of facilities.

Behavioral Reversions

While initial inspections successfully compelled facilities to conduct necessary cleanouts and baffle repairs, second-round inspections revealed a lack of ongoing maintenance. Many facilities did not continue with the cleanout frequency required for adequate GCD functionality, nor did they keep the necessary cleanout records. Additionally, a significant number of FSEs misplaced the FOG Manuals provided to them during the first visit.

Lack of Consequence

The high rate of non-compliance during follow-up visits suggests that some FSEs may not yet fully grasp the importance of the program, likely because they have not yet experienced any financial or operational consequences. Business operators have an economic incentive to delay maintenance—which can cost between \$300 and \$1,200—when they face no penalties for failing to maintain compliance with the 25% capacity cleanout trigger.

Inspection Access Issues and Refusals

While most Food Service Establishments (FSEs) accommodated site visits, inspectors encountered a small number of businesses that repeatedly evaded inspection due to being closed or actively refusing entry. Appendix I lists the facilities from both inspection rounds that could not be inspected.

During the first round of inspections, 10 seemingly operational facilities were closed during the day despite multiple inspection attempts. During the second round, two specific businesses—Mai Phat Mi Gai #2 and Pho Dem—continued to refuse inspection. To resolve this, the District mailed Notice of Non-Compliance letters to both FSEs and escalated the issue by coordinating joint inspections with District Code Enforcement staff (Hauwie Tieu). Despite these efforts, the inspections could not be completed: Mai Phat Mi Gai #2 denied entry even with Code Enforcement present, and Pho Dem remained closed during its posted operating hours during the final joint attempt.

See Appendix I for the list of facilities with inspection access issues and refusals.

5. Recommendations for Program Enhancement

Based on JLHA's field experience and program data, we recommend the following actions to enhance FOG control and improve FSE compliance:

Policy and Enforcement Enhancements

Implementation of Fines

To deter the financial incentive FSEs have to delay maintenance, the District should consider drafting minimum monetary fines for repeated non-compliance. The District could ease into this by utilizing a one-year grace period where FSEs are warned of impending fines, followed by active enforcement of fines in the third year of the program for lacking adequate maintenance records or failing to comply with corrective actions. Fines for lacking GCD cleaning and repairs should take priority over administrative issues like missing training logs.

Fee Schedules

The District's FOG ordinance indicates that non-compliance fees should compensate the District for the costs of additional inspections, administrative processing, and monitoring. We recommend the District consider adopting a fee schedule to establish these penalties for future inspections.

Future Revenue Mechanisms

While the District does not currently charge FOG FSE fees or require FOG Permits, the District may wish to consider implementing these in the future to support program administration. The District's FOG Ordinance establishes the legal authority for both fees and permits, and JLHA can assist in developing them.

Sewer Mitigation Fees for Hotspots

If a FOG-producing FSE is located within a recognized FOG hotspot and does not have a GCD installed, the District should consider adopting a sewer mitigation fee for that facility.

Administrative and Operational Efficiencies

Streamlined Enforcement Notices

JLHA recommends creating a shortened, standardized template letter featuring checkboxes for all possible corrective actions, rather than customizing each notice. This will speed up preparation time.

Field-Issued Notices

As an informal first step prior to formal Certified Mail procedures, inspectors could be equipped with physical non-compliance notices to fill out and issue directly on-site, ensuring the business receives immediate notification while saving the District postage and administrative costs.

Escalated Enforcement

For the time being, a Notice of Non-Compliance (NONC) should be prepared for FSEs failing to meet initial deadlines. If a facility has received a NONC within the past two years, the District should consider escalating to a Notice of Violation (NOV), Compliance Schedule Agreement, and/or fines.

Education, Outreach, and Targeted Strategies**Enhanced Visual Education**

To improve understanding of proper GCD function, JLHA can utilize a graphic artist to design a cross-section diagram comparing a well-maintained grease interceptor/trap against a failing one (e.g., showing a full interceptor causing a sewer overflow in the street). These visuals can be hosted on the District's website.

Non-Traditional FOG Contributors

One identified hotspot is located directly adjacent to a retirement home rather than a commercial FSE. Because retirement homes are known contributors to FOG discharges, this facility should receive targeted educational materials, be required to install a GCD, or be subject to a sewer mitigation fee.

Strict Enforcement on Small Traps

Given the high rate of non-compliance among facilities with small grease traps, we recommend the District require strict enforcement of the mandatory weekly cleanout requirement for these smaller systems.

Appendix A. List of Abbreviations

District: Midway City Sanitary District

GCD: Grease Control Device (i.e. grease traps & grease interceptors)

GRD: Grease Removal Device

FOG: Fats, Oils & Grease

FSE: Food Service Establishment

JLHA: John L. Hunter & Associates, Inc.

LSD: Last Service Date (when the grease control device was cleaned)

MCSD: Midway City Sanitary District

PTS: Pretreatment system (wastewater PTS)

NONC: Notice of Non-Compliance

NOV: Notice of Violation

Appendix B. Select Photographs of Noncompliant FSEs

The following are select photographs of noncompliant conditions detected during inspections.

Appendix C. Posters and Videos

FOG Poster - English

Best Kitchen Practices to PREVENT SEWER BLOCKAGES AND SEWER SPILLS

- ❖ Do not discharge Fats, Oils and Grease (FOG) into the sewer and
- ❖ Do not flush rags, wipes, or other paper, cloth, and plastic products

Food waste Dispose of food waste into the trash. Do not wash food or FOG into the sink.  	Sink strainers Install sink strainers in all dishwashing sinks, food prep sinks, and floor drains.  
Used cooking oil Dispose of used cooking oil into a proper container with a lid. Do not dispose of oil or grease into the kitchen sink or floor drains.  	Equipment cleaning Spray and wipe down hood filters, fry baskets, grill tops, and cooking surfaces with degreaser prior to washing.  
Rags and wipes Do not flush rags, wipes, or other paper, cloth, and plastic products down the toilet.  	Sewer maintenance Clean sewer lines in the kitchen and private sewer lateral periodically to prevent FOG build-up.  
Grease traps If installed, clean traps regularly and do not allow grease & food buildup to exceed 25% capacity. Keep maintenance records.  	Grease interceptors If installed, clean interceptors regularly and do not allow grease & food buildup to exceed 25% capacity. Keep maintenance records.  

FOG Training Video

These practices do not replace any additional local jurisdiction requirements. All practices must be implemented effectively to local jurisdiction standards.

FOG Poster - Vietnamese

Các Nguyên Tắc Tốt Nhất Trong Bếp
ĐỂ NGĂN NGỪA
TẮC NGHẼN VÀ
TRÀN NƯỚC THẢI

- ✓ Không xả Mỡ, Dầu Ăn và Chất Béo (FOG) vào hệ thống cống thoát nước
- ✓ Không xả khăn giấy, khăn lau hoặc các sản phẩm làm từ giấy, vải, nhựa xuống toilet

RÁC THỰC PHẨM
 Bỏ rác thực phẩm vào thùng rác.
 Không xả thức ăn hoặc FOG xuống bồn rửa.

LƯỚI LỌC RÁC BỒN RỬA
 Lắp lưới lọc rác cho tất cả các bồn rửa chén, bồn chuẩn bị thực phẩm và cống sàn.

DẦU ĂN ĐÃ QUA SỬ DỤNG
 Bỏ dầu ăn đã qua sử dụng vào thùng có nắp đậy kín.
 Không đổ dầu mỡ xuống bồn rửa bát hoặc cống sàn.

VỆ SINH THIẾT BỊ
 Xịt và lau sạch lưới lọc hút khói, chảo chiên, bề mặt bếp và bề mặt nấu ăn bằng chất tẩy mỡ trước khi rửa.

KHĂN GIẤY VÀ KHĂN LAU
 Không xả khăn giấy, khăn lau hoặc các sản phẩm bằng giấy, vải, nhựa xuống bồn cầu.

BẢO TRÌ HỆ THỐNG THOÁT NƯỚC
 Vệ sinh định kỳ các đường ống thoát nước trong bếp và cống thoát nước riêng để ngăn tích tụ FOG.

BẦY MỠ
 Nếu đã lắp đặt, vệ sinh bể chứa mỡ thường xuyên và không để lượng mỡ và rác thực phẩm vượt quá 25% dung tích. Lưu giữ hồ sơ bảo trì.

THIẾT BỊ CHẶN MỠ
 Nếu đã lắp đặt, vệ sinh thiết bị chặn mỡ thường xuyên và không để lượng mỡ và rác thực phẩm vượt quá 25% dung tích. Lưu giữ hồ sơ bảo trì.

Video Đào tạo FOG

Những nguyên tắc này không thay thế các yêu cầu bổ sung của địa phương.
 Tất cả các nguyên tắc phải được thực hiện đúng theo tiêu chuẩn của địa phương.

FOG Poster - Spanish

**Las mejores prácticas en la cocina para
PREVENIR OBSTRUCCIONES
Y DERRAMES EN
EL ALCANTARILLADO**

- ❖ No vierta grasas y aceites (FOG) en el alcantarillado.
- ❖ No tire por el inodoro trapos, toallitas u otros productos de papel, tela y plástico.

Residuos de alimentos

Deseche los residuos de alimentos en la basura. No arroje alimentos FOG por el fregadero.

Coladores de fregadero

Instale coladores en todos los fregaderos de lavavajillas, fregaderos de preparación de alimentos y desagües de piso.

Aceite de cocina usado

Deseche el aceite de cocina usado en un recipiente adecuado con tapa. No deseche el aceite o la grasa por el fregadero de la cocina o los desagües del piso.

Limpieza de equipos

Rocie y limpie los filtros de campana, las cestas de freír, las parrillas y las superficies de cocción con desengrasante antes de lavar.

Trapos y toallitas

No arroje trapos, toallitas u otros productos de papel, tela y plástico por el inodoro.

Mantenimiento del alcantarillado

Limpie las líneas de alcantarillado en la cocina y la tubería lateral de alcantarillado privada periódicamente para evitar la acumulación de FOG.

Trampas de grasa

Si están instaladas, limpie las trampas regularmente y no permita que la acumulación de grasa y alimentos exceda el 25% de su capacidad. Mantenga registros de mantenimiento.

Interceptores de grasa

Si están instalados, limpie los interceptores regularmente y no permita que la acumulación de grasa y alimentos exceda el 25% de su capacidad. Mantenga registros de mantenimiento.

Video de Entrenamiento de FOG

Estas prácticas no reemplazan ningún requisito adicional de la jurisdicción local. Todas las prácticas deben implementarse eficazmente según los estándares de la jurisdicción local.

Appendix D. Link to Facility and Inspection Data

MCS1 Facility and Enforcement Statuses and All Records

The above is a link to a spreadsheet of our FSE inspection records as of the date of this report, including tabs for:

1. The current status of each facility that we have visited
2. The status of facilities that were issued enforcement letters
3. All facility records that we have generated through our App, for all facilities since the start

The data is sorted so that facilities that have complied are at the top, followed by facilities still in noncompliant, followed by facilities that were compliant.

MIDWAY CITY SANITARY DISTRICT // BOARD OF DIRECTORS UPDATE

Fats, Oils, and Grease (FOG) Control Program

Annual Report 2025–2026

PREPARED FOR

Milo Ebrahimi, P.E., District Engineer

PRESENTED BY

John L. Hunter & Associates (JLHA) // Oct 20, 2026

Full Scope of Year 1 Activities

Inventory & Hotspots

Master FSE list with sewer hotspot mapping.

FOG Manual & Outreach

Custom FOG Control Manual with tri-lingual education.

Inspections & Enforcement

Routine site visits with follow-ups and notices.

Program Setup & Data Management

01 **Ordinance Review**
Confirmed legal elements for a robust FOG program.

02 **FSE Master Inventory**
Cross-referenced county health agency lists.

03 **Sewer Hotspot Mapping**
Identified FSEs within FOG hotspot zones.

04 **Custom Database**
Developed custom database to track facility records.

Tri-Lingual Outreach & Field Execution

3

Core Languages

Vietnamese, English, Spanish

Printed Materials: Hand-delivered FOG manuals and kitchen posters.

Training Videos: Provided tri-lingual BMP videos for District website.

Notification Letters: Explained inspection purpose and scope in Vietnamese.

Inspection Legitimacy: Clear communication and printed materials secured entry.

Facility & Inspection Volume

340

FSE Facilities Identified

652

Inspections Conducted

97.2%

Completion Rate (of 671)

Inventory Attrition: 9 facilities closed permanently prior to Round 2 inspections.

Noncompliance Across Inspection Rounds

ROUND 01 // BASELINE

106

Noncompliant FSEs

Initial baseline deficiencies identified.

ROUND 02

126

Noncompliant FSEs

Stricter record-keeping standards applied.

Noncompliance by Deficiency Type

Noncompliance Category		Round 1	Round 2*
Inadequate GCD Maintenance Records		49	73
GCD Required Cleanout (>25% Full)		37	33
Broken Baffle Pipes or Partitions		28	26
Outdoor Cooking Oil Spills (BMP)		16	10
GCD Inaccessible (Seized or Unattached Lid)		14	14
GCD Disconnected from Facility	164	3	3
BOARD OF DIRECTORS MEETING OCT 20, 2026			

Enforcement Actions Issued

232

Corrective Action
Notices

32

Notices of
Non-Compliance

0

NOVs & Monetary
Fines

Year 1 Approach: Prioritized education and corrective notices over punitive fines.

Damaged and Disconnected GCDs

40 FSEs

Damaged Baffle Pipes

Missing Partitions: Causing direct FOG discharge into sewers.

Repairs: 13 confirmed repaired in Year 1.

3 FSEs

Disconnected Interceptors

Critical Bypass: Located near active FOG hotspots.

Identified Sites: Quan 10, Red Sake Sushi, Lee's Sandwiches.

Damaged Baffle Pipe: Before & After

Disconnected Grease Interceptor

Physical Access Barriers & Vault Hazards

28 FSEs

Seized Lids

Sealed Shut: Hardened grease and rust block access.

14 inaccessible facilities identified per inspection round.

8 FSEs

Underground Vaulted Traps

Safety Hazards: Deep secondary lids and pest infestations.

Require FSE staff to open lids during future visits.

Maintenance & Economic Incentives

COMMERCIAL CLEANOUT COST

Operators delay service without financial penalties

\$300–\$1,200

Delayed Cleanouts

Weekly traps cleaned every 1–3 months.

Behavioral Reversion

Stopped routine pumping after Round 1.

Missing Documentation

73 facilities lacked service logs in Round 2.

Inspection Refusals & Daytime Closures

CODE ENFORCEMENT ESCALATION

2 Persistent Entry Refusals

Mai Phat Mi Gai #2: Denied entry with Code Enforcement present.

Pho Dem Restaurant: Closed during posted hours on final attempt with Code Enforcement.

Resolved Cases: Other initial refusals eventually allowed entry.

MULTIPLE ATTEMPTS PER SITE

Uninspected Daytime Closures

Round 1 (10 Sites): Closed across all daytime attempts; not inspected.

Round 2 (6 Sites): Closed across multiple daytime attempts.

Completed Visits: Additional daytime closures were eventually inspected.

Policy & Financial Deterrents

STEP 01 // FINES

Phased Penalties

Year 2 grace warnings followed by Year 3 active fines.

STEP 02 // RECOVERY

Fee Schedules

Recover re-inspection costs and establish future permit fees.

STEP 03 // HOTSPOTS

Mitigation Fees

Charge hotspot FSEs operating without grease control devices.

Efficiencies & Targeted Strategies

Operational Efficiencies

Checkbox Enforcement Actions: Standardized notices speed preparation.

Field-Issued Notices: On-site delivery increases efficiency.

Repeat Offenders: Escalate 2-year NONCs to formal enforcement.

Targeted Strategies

Grease Traps: Enforce mandatory weekly cleanout schedules.

Visual Education: Provide to FSEs technical illustrations of failing GCDs.

Non-FSE FOG sources: Enhance outreach or mandate GCD installation or mitigation fee.

MIDWAY CITY SANITARY DISTRICT // 2025-2026 ANNUAL REPORT

Questions

Thank you to the Board of Directors and District Engineer Milo Ebrahimi, P.E.
